## ARTICLE VIII

### APPROVAL OF PLANS

1. No building, fence, wall, pole or other structure shall be erected, constructed, altered or maintained upon any portion of said property unless a complete set of plan and specifications therefor, including the exterior color scheme with a block plan indicating the exact location on the building site, shall have been submitted to and approved by the Architectural Committee as hereinafter set forth; nor shall any building erected or constructed elsewhere be moved onto any building site without the consent specified by Paragraph 7 of Article IV. The approval of said plans and specifications may be withheld not only because of their non-compliance with any of the specific conditions and restrictions contained in this and other clauses hereof, but also by reason of the reasonable dissatisfaction of the Architectural Committee with the style, design, appearance or location of the proposed structure or structures.

2. The written approval of the Committee may be recorded in the Office of the County Recorder of Los Angeles County, and shall be conclusive evidence of such approval.

3. The approval of the Committee of any plans or specifications submitted for approval, as herein specified, shall not be deemed to be a waiver by the Committee of its right to object to any of the features or elements embodied in any subsequent plans or specifications submitted for approval as herein provided, for use on any other building site. Nor shall such approval be construed as in any manner modifying, altering, or waiving any of the conditions or restrictions set out herein as to location or otherwise.

4. If after such plans and specifications have been approved, the building, fence, wall or other structures shall be altered, erected or maintained upon the building site otherwise than as approved by the Committee, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of the Committee ever having been obtained as required by this Declaration.

5. Any agent or any member of the Committee may from time to time at any reasonable hour or hours enter and inspect any property subject to the jurisdiction of the Committee as to its maintenance or improvement in compliance with the provisions hereof; and the Committee or any agent thereof shall not thereby be deemed guilty of, or become liable for, any manner of trespass for such entry or inspection. The Committee may issue a certificate of completion and compliance as to any property so inspected.

6. The Committee shall consist of five (5) members, none of whom need be members of the Association.

7. In the first instance the Committee shall consist of Frank H. Ayres, Donald B. Ayres, M. L. Houseman, Hayden Worthington, and E. B. Brodersen.

8. Until such time as is hereinafter provided, the Declarant shall have full power to remove any member of said Committee and to make appointments to fill any vacancies in the membership thereof. Any written instrument of appointment duly executed may be filed with the County Recorder of Los Angeles County and such recordation shall impart notice to all persons of the matters therein set forth.

9. A written approval of two (2) of the members of the Committee shall constitute an approval. If said Committee fails to approve or reject any plans within thirty (30) days after said plans have been submitted to it, then no approval shall be necessary. If no action shall be filed, or notice of rejection recorded, by or on behalf of said Committee within thirty (30) days after notice of completion shall be recorded covering the construction, alteration or replacement of any structure, the filing of such notice of completion of record shall be conclusive evidence of the approval of such structure by said Committee.

10. The Declarant may, at any time, at its option, relieve itself of the obligation of appointing and maintaining said Committee by filing in the Office of the County Recorder of Los Angeles County, a notice stating that it has surrendered the powers of appointment and maintenance of said Committee as granted by this Article, and upon the recording of such notice said powers shall immediately vest in the majority of the lot owners of record of said property.

11. Neither Declarant, its successors or assigns, nor the Committee, nor any member thereof, shall be held responsible for any loss or damage, nor be liable in any way whatsoever for any errors or defects which may or may not be shown on said plans or specifications, or in any building or structure erected in accordance with such plans or specifications or otherwise.

12. For the purpose of making a search upon, or guaranteeing or insuring title to, or any lien on or interest in, any lot or parcel of said property, and for the purpose of protecting purchasers and encumbrancers for value and in good faith as against the performance or non-performance of any of the acts in this Declaration authorized, permitted or to be approved by the Committee, the records of the Committee shall be prima facie evidence as to all matters shown by such records; and the issuance of a certificate of completion and compliance by the Committee showing that the plans and specifications for the improvements or other matters herein provided for or authorized have been approved and that said improvements have been made in accordance therewith, or of a certificate as to any matters relating to the Association by the Secretary thereof, shall be prima facie evidence and shall fully justify and protect any title company or persons certifying, guaranteeing or insuring said title, or any lien thereon or any interest therein, and shall also fully protect any purchaser or encumbrancer in good faith and for value in acting thereon, as to all matters within the jurisdiction of the Committee or of the Association.

## ARTICLE IX

### PROVISIONS FOR UPKEEP

1. There shall be an annual charge or assessment as hereinafter provided against all building sites located in said Tract No. 13317 and all building sites located within a tract subdivided by Declarant or its successors in interest and within either Sections 24 or 25, T. 2S., R. 15W., S. B. B. & M., conveyed to Declarant by and described in that certain deed from the Inglewood Extension Company dated September 11, 1940, and recorded December 18, 1940, in Book 18072, Page 111, Official Records of Los Angeles County, California, and which tract is made subject to a similar declaration and the lot owners of such tract are, according to the declaration, to be members of the Kentwood Home Guardians Association.

Assessments on lots or parcels of land in additional tracts in said area shall not be made nor shall any of said additional land be subject to any charge until such time as said additional tract shall have been subdivided by Declarant or its successors, the official map of such subdivision duly filed for record and a declaration of protective restrictions duly filed which expressly makes such additional tract subject to such a charge or assessment.

The Kentwood Home Guardians, a non-profit corporation organized under the laws of the State of California on June 14, 1943, shall have the right to plant trees, shrubs and other ground covering on said property, and shall have the right of ingress and egress for such purposes. Said corporation is hereinafter sometimes referred to as "the Association."

2. The annual charge or assessment upon said property subject thereto shall not exceed in any one year 20 cents per front foot. For the purposes of this Article IX each lot is deemed to have frontage of 50 feet.

3. The sole authority to fix the rate per front foot of such charges or assessments, subject to the foregoing limitations as to the amount thereof, and to expend for the purposes hereinafter specified or purposes incidental thereto the money received in payment of such charges or assessments, shall be vested in the Kentwood Home Guardians.

4. Each such annual charge or assessment shall be fixed on or about the first Monday in October for the current fiscal year commencing July 1, of the calendar year and ending June 30, of the next calendar year. The first such charge or assessment shall be due and payable upon the first Monday in November, 1951, and each succeeding annual charge on the first Monday in November of each succeeding year. Each such charge or assessment shall become delinquent on the first Monday in December of the year in which it was fixed, and if not theretofore paid shall thereafter bear interest at the rate of six per cent (6%) per annum, and the aggregate amount of such assessment with interest as aforesaid shall constitute a lien on the property, with respect to which it was fixed, from the date of the notice of the delinquency under Paragraph 5 hereof is filed for record. Such lien may be enforced by the Association in the manner provided by law with respect to a mortgage or other lien on real property; and in the event of foreclosure, the property owner shall pay all costs and expenses of foreclosure, including reasonable attorney's fees, all of which costs, expenses and fees shall be secured by such lien.

5. The secretary of the Association shall file for record with the County Recorder of Los Angeles County; within one hundred twenty (120) days after delinquency, the amount of any charges or assessments, together with penalties as aforesaid which have become delinquent with respect to any portion of said property, and upon payment in full thereof shall execute and file for record a proper release of the liens securing the same.

6. The right to collect and enforce the collection of such charges or assessments, including penalties thereon as aforesaid, is hereby vested in the Association.

7. The purchasers of portions of said property by the acceptance of deeds therefor, whether from Declarant or subsequent owners of such property, or by the signing of contracts or agreements to purchase same, shall become personally obligated to pay such charges or assessments, including penalties upon the portion or portions of said property purchased or agreed to be purchased by them, and shall thereby vest in the Association or its assigns the right or power to bring all actions for the collection of such charges, assessments and penalties and the enforcement of the lien securing the same. Such right and power shall continue in the Association and its assigns, and such obligation shall run with the land so that the successor owners of record of any portion of said property, and the holder or holders of contracts or agreements for the purchase thereof, shall in turn become liable for the payment of such charges or assessments and penalties which shall have become a lien thereon during their ownership thereof. No charges or assessments shall be levied against unsold lots owned by Declarant, except that such lots or building sites in Tract 13317 reserved and retained by Declarant for its own use, shall be subject to such charges or assessments and shall be paid by Declarant on the same basis as said charges or assessments are paid by other lot owners in said tract.

8. The proceeds received from such charges or assessments shall be applied by the Association toward the payment of the cost of any or all of the following:

- (a) Improving or maintaining such streets and parks, including all grass plots and other planted areas now existing or hereafter created upon said property, referred to in Paragraph 1 of this Article, as shall be maintained for public use or for the general use of the owners of lots or building sites within said property and their successors in interest, insofar as said costs are not adequately provided for by municipal authority;
- (b) At its option, caring for vacant, unimproved or unkept lots and plots, removing grass and weeds therefrom, and any other things necessary or desirable to keep said property neat and in good order;
- (c) Sweeping, cleaning, sprinkling and lighting the streets within or bordering upon said property, collecting and disposing of street sweepings therefrom, any rubbish, garbage and the like, and providing community police protection therefor, but only until such time as such costs are adequately provided for by municipal authority;
- (d) Taxes and assessments, if any, which may be levied by any authority upon the streets, parks and planted areas now or hereafter opened, laid out or established;
- (e) Expenses, if any, incident to the enforcement of the restrictions, conditions, charges and agreements contained in this Declaration, and the collection of the charges or assessments provided for in this Article;
- (f) Office expenses incident to the conduct of the business of the Association and all licenses, franchise taxes or other taxes or assessments levied against the Association.

#### ARTICLE X

##### CONSTRUCTION OF CONDITIONS AND RESTRICTIONS

1. The determination by any court that any of the provisions of this Declaration are unlawful or invalid shall not affect the validity of any of the other provisions hereof.

2. Damages are declared not to be adequate compensation for any breach of the provisions of this Declaration, Declarant contemplating the enforcement of such restrictions as part of the general plan of improvement, and not damages for the breach of such restrictions.

## ARTICLE XI

### SCOPE AND DURATION OF CONDITIONS, RESTRICTIONS, AND CHARGES

All of the conditions, restrictions, and charges set forth in this Declaration are imposed upon said property for the direct benefit thereof and of the owners thereof as a part of a general plan of improvement, development, building, occupation and maintenance hereby; and said conditions, restrictions and charges shall run with the land and continue to be in full force and effect until January 1, 1976, at which time said conditions, restrictions and charges shall be automatically extended for successive periods of ten (10) years unless by a vote of a majority of the owners of record of building sites it is agreed to change said conditions, restrictions and charges in whole or part by an instrument in writing, signed by said owners, which shall be acknowledged by them so as to entitle it to record and be recorded in the Office of the Recorder of the County of Los Angeles.

## ARTICLE XII

### VIOLATION OF CONDITIONS AND RESTRICTIONS

The result of every act or omission whereby any condition or restriction herein contained is violated, in whole or in part, is hereby declared to be a nuisance, and every remedy allowed by law or equity against a nuisance, either public or private, shall be applicable against every such result, and may be exercised by Declarant, the Association or the owner of any portion of said property, or their successors or assigns. However, nothing contained in this Declaration or in any form of deed which may be used by Declarant or its successors or assigns in selling said real property, or any part thereof shall be deemed to vest or reserve in Declarant or the Association any right of reversion for breach or violation of any one or more of the provisions hereof, and any such reversionary right is hereby expressly waived by Declarant.

## ARTICLE XIII

### RIGHT TO ENFORCE

1. The provisions contained in this Declaration shall bind and inure to the benefit of and be enforceable by Declarant, the Association or the owner or owners of any portion of said property, or their and each of their legal representatives, heirs successors, and assigns; and the failure to enforce any of such conditions, restrictions or charges herein contained shall in no event be deemed to be a waiver of the right to do so thereafter.

2. In any legal proceeding commenced by anyone entitled to enforce, or restrain a violation of this Declaration, or any provision hereof, the losing party or parties shall pay the attorney's fees of the winning party or parties in such amount as may be fixed by the court in such proceeding.
